5 Bedroom, 4.50 Bathroom, 3,588 sqft  
Single Family on 0.00 Acres

Brookside, Edmonton, AB

One of the first homes built in Brookside, this storybook Tudor on a coveted street is ready for its next chapter. Framed by mature trees, it offers four spacious bedrooms upstairs, including a primary suite with endless potential, plus a picture-perfect landing for a cozy reading nook. A main-floor den with parquet floors and distinguished built-ins adds charm, while three wood-burning fireplaces, including a striking brick centerpiece, bring warmth throughout. Backing onto the ski hill, the treed yard is completely private, and the home even earned local fame thanks to a former four-legged resident with a knack for “borrowing” mittens. A second staircase leads to a fifth above-grade bedroom with its own ensuite. With recent updates including roof, windows, and extensive landscaping, driveway, and deck it’s a rare chance to create something exceptional in one of Edmonton’s most cherished communities.

Built in 1965
